AE Presentation for CA Workshop Feb 24 2015 AE and LD comments 2-19-15.pptx

David:

As I mentioned yesterday, I asked Leslie Darman to look over the slides with a quick turnaround, as she's been convening a small workgroup of attorneys in OGC and Regions on AE's and working towards national consistency. She provided additional comments on your slide set, they are embedded as comments (along with my earlier comments) and line track changes. Let me know if you have any questions about the comments, etc.

Thanks,

Alexa
